34. Ogranak Američkog koledža kardiologa za Srbiju i Republiku Srpsku (*ACC Consortium Chapter for Serbia and Republic of Srpska*) je osnovan početkom 2015. godine, a promovisan 15. marta 2015. godine u San Dijegu na 64. kongresu Američkog koledža kardiologa. Ovaj Ogranak je formiran sa ciljem unapređenja saradnje i povezivanja Američkog koledža kardiologa sa Udruženjem kardiologa Srbije i Udruženjem kardiologa Republike Srpske. Prvi vidovi ove saradnje su bili realizovani kroz organizaciju zajedničkih sesija na XX Kongresu Udruženja kardiologa Srbije održanom na Zlatiboru oktobra 2015. godine, i 65. Kongresu Američkog koledža kardiologa održanom u Čikagu u martu 2016. godine.

Tema Prvog kongresa biće prikaz i analiza najvažnijih preporuka Američkog koledža kardiologa i Evropskog udruženja kardiologa. Predavači i moderatori će biti najistaknutiji kardiolozi Udruženja kardiologa Srbije i Udruženja kardiologa Republike Srpske.

Dear Colleagues,

It is my great pleasure to greet you at the beginning of the First Congress of the 34th American College of Cardiology Consortium Chapter of Serbia and Republic of Srpska, which will be held on May 9-10, 2016, at Hotel M "Best Western" in Belgrade.

34th Chapter of the American College of Cardiology of Serbia and the Republic of Srpska was founded in early 2015 and was promoted on March 15, 2015 in San Diego at the 64th Congress of the American College of Cardiology. This Chapter was founded with the aim of improving cooperation and connection with the American College of Cardiology, Cardiology Society of Serbia, and Cardiology Society of the Republic of Srpska. The first steps of this cooperation were realized through the organization of joint sessions at the 20th Congress of the Cardiology Society of Serbia that was held on Zlatibor in October 2015, and the 65th Congress of the American College of Cardiology held in Chicago in March 2016.

The main topic of this Congress will be the analysis of the most important clinical guidelines of the American College of Cardiology and the European Society of Cardiology. Speakers and moderators will be the most prominent cardiologists of the Cardiology Society of Serbia and the Cardiology Society of Republic of Srpska.

I wish you successful meeting.
